Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Wednesday 19 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and scattered showers on Wednesday.

Today:
Any overnight fog patches soon clearing then another day of sunny spells and scattered showers. The showers occasionally heavy in the east, but they aren't expected to be as widespread as Tuesday. Light winds. Maximum temperature 15 deg C (59 deg F).

Tonight:
Any isolated showers over eastern areas soon dying out. Some fine late sunshine then clear spells tonight. Becoming chilly. Clouding over towards morning with heavy rain arriving after dawn. Minimum temperature 4 deg C (39 deg F).

Thursday:
A cloudy day with spells of rain, heavy at times especially in South Down. Fresh to strong southeasterly winds, with gales over eastern coasts and high ground. Maximum temperature 12 deg C (54 deg F).

Outlook for Friday to Sunday:
Cloudy with patchy rain on Friday morning then brighter with a few showers. Sunny spells and scattered light showers over the weekend but rain later on Sunday.
